The Federal Deposit Insurance Corporation (“FDIC”) is the appropriate Federal banking agency for OptimumBank, Plantation, Florida (“Bank”), under 12 U.S.C. § 1813(q).

The Bank, by and through its duly elected and acting Board of Directors (“Board”), has executed a “Stipulation to the Issuance of a Consent Order” (“STIPULATION”), dated April 12, 2010, that is accepted by the FDIC and the Florida Office of Financial Regulation (“OFR”).

With this STIPULATION, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices or violations of law or regulation relating to weaknesses in asset quality, earnings, management effectiveness, capital, liquidity, and sensitivity to market risk, to the issuance of this Consent Order (“ORDER”) by the FDIC and the OFR. The OFR may issue an ORDER pursuant to Chapter 120 and Section 655.033, Florida Statutes (2009).

Having determined that the requirements for issuance of an order under 12 U.S.C. §

1818(b) and under Chapter 120 and Section 655.033, Florida Statutes (2009) have been satisfied, the FDIC and the OFR hereby order that:

BOARD OF DIRECTORS

1. (a) Effective immediately, the Board shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of banks of comparable size. The Board shall prepare in advance and follow a detailed written agenda for each meeting, including consideration of the actions of any committees. Nothing in the foregoing sentences shall preclude the Board from considering matters other than those contained in the agenda. This participation shall include meetings to be held no less frequently than monthly at which, at a minimum, the following areas shall be reviewed and approved: reports of income and expenses; new, overdue, renewal, insider, charged-off, and recovered loans; investment activity; operating policies; and individual committee actions. Board minutes shall document these reviews and approvals, including the names of any dissenting directors.

(b) Within 30 days from the effective date of this ORDER, the Board shall establish a Board committee ("Directors' Committee"), consisting of at least four members, to oversee the Bank's compliance with the ORDER. Three of the members of the Directors' Committee shall not be officers of the Bank. The Directors' Committee shall receive from Bank management monthly reports detailing the Bank's actions with respect to compliance with the ORDER. The Directors' Committee shall present a report detailing the Bank's adherence to the ORDER to the Board at each regularly scheduled Board meeting. Such report shall be recorded in the appropriate minutes of the Board's meeting and shall be retained in the Bank's records.

Establishment of this committee does not in any way diminish the responsibility of the entire Board to ensure compliance with the provisions of this ORDER.

(c) Within 60 days from the effective date of this ORDER, the Bank's Board shall develop and adopt an educational program for periodic training for each member of the Board. The educational program shall include, at a minimum:

- (i) specific training in the areas of lending, operations, and compliance with laws, rules and regulations applicable to banks chartered in the state of Florida; and,
- (ii) specific training in the duties and responsibilities of the Board in connection with the safe and sound operation of the Bank.

Upon adoption of the educational program, it shall be submitted to the Regional Director of the FDIC's Atlanta Regional Office ("Regional Director") and to the OFR (collectively, "Supervisory Authorities") for review and comment. The Board shall document the training activities in the minutes of the next Board meeting following completion of the training. The Board's actions as required by this paragraph shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations.

(d) Within 30 days from the effective date of this ORDER, the Board shall appoint a loan committee, which shall meet as frequently as necessary to carry out the responsibilities assigned to the committee, but in no event less frequently than once a month. The loan committee shall include at least one director who is "independent." An independent director shall be any individual who:

- (i) is not employed in any capacity by the Bank, any subsidiary, or any of its affiliated organizations, other than as a director;

- (ii) does not own or control more than twenty-five percent (25.0%) of the outstanding shares of the Bank or its parent company;
 - (iii) is not related by blood or marriage to an officer or director of the Bank or its affiliates, or to any shareholder owning more than twenty-five percent (25.0%) of the outstanding shares of the Bank or its parent company, and who does not otherwise share a common financial interest with such officer, director or shareholder; and
 - (iv) is a resident of, or engaged in business in, the Bank's trade area; or is otherwise deemed to be an independent director for purposes of this ORDER by the Supervisory Authorities.
- (e) The loan committee shall, at a minimum, perform the following functions:
- (i) evaluate and act upon requests for loans or other extensions of credit, and assess the administration of outstanding loans or other extensions of credit, in accordance with the Bank's loan policy;
 - (ii) provide a thorough, written explanation of any deviations from the loan policy, which shall:
 - a) address how such exceptions are in the Bank's best interest;
 - b) be included in the minutes of the corresponding committee meeting; and
 - c) be maintained in the borrower's credit file.
 - (iii) review and monitor the status of repayment and collection of overdue and maturing loans, all loans classified "Substandard" or "Doubtful" in the most

recent regulatory Report of Examination, and all loans included on the Bank's internal watch list;

(iv) review and give prior written approval for all advances, renewals, extensions of credit or overdrafts to any borrower or the borrower's related interests when the aggregate volume of credit extended to the borrower and its "related interests," as such term is defined in section 215.2(n) of Regulation O of the Board of Governors of the Federal Reserve System (12 C.F.R. § 215.2(n));

(v) review all applications for new loans and renewals of existing loans to Bank directors, executive officers, and their related interests, prepare a written opinion as to whether the credit is in conformance with the Bank's loan and conflicts of interest or ethics policies, as well as all applicable laws and regulations, and refer each application and written opinion to the Bank's Board for consideration; and

(vi) maintain written minutes of the committee meetings, including a record of the review and status of the loans considered.

(f) All loan committee minutes shall be reviewed by the Bank's board of directors during the next scheduled meeting.

MANAGEMENT

2. (a) Within 60 days from the effective date of this ORDER, the Bank shall have and retain qualified management with the qualifications and experience commensurate with assigned duties and responsibilities at the Bank. Each member of management shall be provided appropriate written authority from the Bank's Board to implement the provisions of this ORDER. At a minimum, management shall include the following:

(iv) a plan to recruit and hire any additional or replacement personnel with the requisite ability, experience and other qualifications to fill those officer or staff member positions consistent with the needs identified in the Management Plan; and

(v) an organizational chart.

(c) The written Management Plan shall also include the requirement that the Board, or a committee thereof consisting of not less than a majority of the individuals, who are independent with respect to the Bank, provide supervision over lending, investment and operating policies of the Bank sufficient to ensure that the Bank complies with the provisions of this ORDER.

(d) Such Management Plan and its implementation shall be submitted to the Supervisory Authorities for review and comment.

(e) During the life of this ORDER, the Bank shall notify the Supervisory Authorities, in writing, of the resignation or termination of any of the Bank's directors or senior executive officers. Prior to the addition of any individual to the Board or the employment of any individual as a senior executive officer, or executive officer as that term is defined in Subpart F of Part 303 of the FDIC Rules and Regulations, 12 C.F.R. § 303.101 and in Section 655.005, Florida Statutes, the Bank shall comply with the requirements of Section 32 of the Act, 12 U.S.C. § 1831i, and Subpart F of Part 303 of the FDIC Rules and Regulations, 12 C.F.R. §§ 303.100-303.104; and Section 655.0385, Florida Statutes, and Rule 69U-100.03852 Florida Administrative Code.

CAPITAL

3. (a) Within 90 days from the effective date of this ORDER, the Bank shall have Tier 1 Capital in such amount as to equal or exceed eight percent (8.0%) of its total assets and Total Risk Based Capital in such amount as to equal or exceed twelve percent (12.0%) as that Risk Based Capital Ratio is described in the FDIC Statement of Policy on Risk-Based Capital contained in Appendix A to Part 325 of the FDIC Rules and Regulations, 12 C.F.R. Part 325, Appendix A.

(b) Thereafter during the life of this ORDER, the Bank shall maintain a Tier 1 Capital ratio to equal or exceed eight percent (8.0%) of the Bank's total assets; and a Total Risk Based Capital ratio to equal or exceed twelve percent (12.0%).

(c) The level of Tier 1 Capital to be maintained during the life of this ORDER pursuant to paragraph 3(a) shall be in addition to a fully funded allowance for loan and lease losses ("ALLL"), the adequacy of which shall be satisfactory to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

(d) Any increase in Tier 1 Capital necessary to meet the requirements of paragraph 3(a) of this ORDER may be accomplished by the following:

- (i) sale of common stock; or
- (ii) sale of noncumulative perpetual preferred stock; or
- (iii) direct contribution of cash by the Board, shareholders, and/or parent holding company; or
- (iv) any other means acceptable to the Supervisory Authorities; or
- (v) any combination of the above means.

Any increase in Tier 1 Capital necessary to meet the requirements of paragraph 3(a) of this ORDER may not be accomplished through a deduction from the Bank's ALLL.

(e) If all or part of any necessary increase in Tier 1 Capital required by paragraph 3(a) of this ORDER is accomplished by the sale of new securities, the Board shall forthwith take all necessary steps to adopt and implement a plan for the sale of such additional securities, including the voting of any shares owned or proxies held or controlled by them in favor of the plan. Should the implementation of the plan involve a public distribution of the Bank's securities (including a distribution limited only to the Bank's existing shareholders), the Bank shall prepare offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and any other material disclosures necessary to comply with the Federal securities laws. Prior to the implementation of the plan and, in any event, not less than fifteen (15) days prior to the dissemination of such materials, the plan and any materials used in the sale of the securities shall be submitted to the FDIC, Division of Supervision and Consumer Protection, Accounting and Securities Disclosure Section, 550 17th Street, N.W., Room F-6066, Washington, D.C. 20429 and the OFR, 200 East Gaines Street, Tallahassee, Florida 32399-0371, for review. Any changes requested to be made in the plan or materials by the FDIC or the OFR shall be made prior to their dissemination. If the increase in Tier 1 Capital is provided by the sale of noncumulative perpetual preferred stock, then all terms and conditions of the issue, including but not limited to those terms and conditions relative to interest rate and convertibility factor, shall be presented to the Supervisory Authorities for prior approval.

(f) In complying with the provisions of paragraph 3(a) of this ORDER, the Bank shall provide to any subscriber and/or purchaser of the Bank's securities, a written notice of any planned or existing development or other changes which are materially different from the information reflected in any offering materials used in connection with the sale of Bank

securities. The written notice required by this paragraph shall be furnished within ten (10) days from the date such material development or change was planned or occurred, whichever is earlier, and shall be furnished to every subscriber and/or purchaser of the Bank's securities who received or was tendered the information contained in the Bank's original offering materials.

(g) For the purposes of this ORDER, the terms "Tier 1 Capital" and "total assets" shall have the meanings ascribed to them in Part 325 of the FDIC Rules and Regulations, 12 C.F.R. Part 325.

4. (a) Within 30 days from the effective date of this ORDER, the Bank shall eliminate from its books, by charge-off or collection, all assets or portions of assets classified "Loss" and 50 percent of those assets classified "Doubtful" in the FDIC Report of Examination dated September 14, 2009 ("Report") that have not been previously collected or charged-off. (If an asset classified "Doubtful" is a loan or lease, the Bank may, in the alternative, increase its ALLL by an amount equal to 50 percent of the loan or lease classified "Doubtful".) Elimination of any of these assets through proceeds of other loans made by the Bank is not considered collection for purposes of this paragraph.

(b) Additionally, while this ORDER remains in effect, the Bank shall, within 30 days from the receipt of any official Report of Examination of the Bank from the FDIC or the OFR, eliminate from its books, by collection, charge-off, or other proper entries, the remaining balance of any asset classified "Loss" and 50 percent of the those classified "Doubtful" unless otherwise approved in writing by the Supervisory Authorities.

REDUCTION OF CLASSIFIED ASSETS

5. (a) Within 60 days from the effective date of this ORDER, the Bank shall submit to the Supervisory Authorities, for review and comment, a written plan to reduce the Bank's risk position in each asset (loans, other real estate owned, and repossession) or relationship in excess of \$500,000, which is classified "Substandard" or "Doubtful" in the Report. Within 10 days from the receipt of any comment from the Supervisory Authorities, and after due consideration of any recommended changes, the Bank shall approve the plan, which approval shall be recorded in the minutes of a Board meeting. Thereafter, the Bank shall implement and follow this plan.

(b) The written plan mandated by provision 5(a) shall further require a reduction in the aggregate balance of assets classified "Substandard" and "Doubtful" in the Report in accordance with the following schedule. For purposes of this paragraph, "number of days" means number of days from the effective date of this ORDER.

- (i) Within 180 days, a reduction of twenty-five percent (25%) in the balance of assets classified "Substandard" or "Doubtful."
- (ii) Within 360 days, a reduction of forty-five percent (45%) in the balance of assets classified "Substandard" or "Doubtful."

- (iv) Within 720 days, a reduction of seventy-five percent (75%) in the balance of assets classified "Substandard" or "Doubtful."

(c) The requirements of this paragraph are not to be construed as standards for future operations of the Bank. Following compliance with the above reduction schedule, the Bank shall continue to reduce the total volume of adversely classified assets.

(d) Within 60 days from the effective date of this ORDER, the Bank shall develop a plan to reduce the volume of its private label mortgage backed securities ("PLMBS") subject to adverse classification. The plan shall include a schedule detailing the amounts by which the volume of PLMBS is to be reduced and the timeframes for accomplishing such reductions. The Bank shall immediately submit the plan to the Supervisory Authorities for review and comment. Within 30 days from receipt of any comment from the Supervisory Authorities, and after due consideration of any recommended changes, the Bank shall approve the plan, which approval shall be recorded in the minutes of the next Board meeting. Thereafter, the Bank shall implement and fully comply with the plan.

6. Within 60 days from the effective date of this ORDER, the Bank shall correct the cited deficiencies in the loans listed for "Special Mention" in the Report.

NO ADDITIONAL CREDIT

7. (a) As of the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been charged off or classified, in whole or in part, "Loss" or "Doubtful" and is uncollected. The requirements of this paragraph shall not prohibit the Bank from renewing (after collection in cash of interest due from the borrower) any credit already extended to any borrower.

(b) Additionally, as of the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who has a loan or other extension of credit from the Bank that has been classified, in whole or part, "Substandard" or Listed For "Special Mention" and is uncollected.

(c) Paragraph 7(b) shall not apply if the Bank's failure to extend further credit to a particular borrower would be detrimental to the best interests of the Bank. Prior to the extending of any additional credit pursuant to this paragraph, either in the form of a renewal, extension, or further advance of funds, such additional credit shall be approved by a majority of the Board or a designated committee thereof, who shall certify in writing as follows:

- (i) why the failure of the Bank to extend such credit would be detrimental to the best interests of the Bank;

A copy of this analysis shall be provided to the Supervisory Authorities. The Bank agrees to develop a plan to reduce any segment of the portfolio which the Supervisory Authorities deem to be an undue concentration of credit in relation to the Bank's capital account. The plan and its implementation shall be in a form and manner acceptable to the Supervisory Authorities as determined at subsequent examinations and/or visitations.

9. Within 60 days from the effective date of this ORDER, the Bank shall adopt an effective internal loan review and grading system to provide for the periodic review of the Bank's loan portfolio in order to identify and categorize the Bank's loans, and other extensions of credit which are carried on the Bank's books as loans, on the basis of credit quality. - (ii) provisions which prohibit the capitalization of interest or loan related expense unless the Board supports in writing and records in the minutes of the corresponding Board meeting why an exception thereto is in the best interests of the Bank;
- (iii) provisions which require complete loan documentation, realistic repayment terms and current credit information adequate to support the outstanding indebtedness of the borrower. Such documentation shall include current financial information, profit and loss statements or copies of tax returns and cash flow projections;

The loan "watch list" shall be presented to the Board for review at least monthly with such review noted in the minutes.

(c) The Board shall adopt procedures whereby officer compliance with the revised loan policy is monitored and responsibility for exceptions thereto assigned. The procedures adopted shall be reflected in the minutes of a Board meeting at which all members are present and the vote of each is noted.

Said review shall be completed in time to properly report the ALLL in the quarterly Reports of Condition and Income. The review shall focus on the results of the Bank's internal loan review, loan and lease loss experience, trends of delinquent and non-accrual loans, an estimate of potential loss exposure of significant credits, concentrations of credit, and present and prospective economic conditions.
